TEXAS ROSE FESTIVAL PARADE BYLAWS
Revised March 8, 2021

RULES AND REGULATIONS UNDER WHICH ENTRIES WILL BE CONSIDERED

IMPORTANT: September 16th (or earlier if the specified number of units has been reached) is the deadline for submitting applications. Participation in the Rose Parade is by invitation upon approval by the Strutters Executive Committee, hereinafter referred to as the "Executive Committee". Participants in the parade will adhere to the following rules and regulations. Failure to do so will result in exclusion from the parade and future parades.

I. ALL ENTRIES

1. All applications must be complete prior to consideration. All participants must complete the entry description and background on entry form to aid selection process. The Executive Committee must approve all entries in writing. All entries are subject to final approval which shall be at the sole and exclusive discretion of the Executive Committee.

2. Parade units may have individuals walk alongside a parade unit and distribute candy, flags, coupons or merchandise to spectators along the parade route as long as they are adjacent to the spectators and do not have to throw the items. No political literature or balloons may be distributed to spectators along the parade route.

3. All entries must be in good taste and contribute to the overall theme of "Roses" OR to the annual Festival theme. Entries must not be commercial, political or religious in nature. All entries must have public entertainment value. Exceptions or special requests must be approved by the Executive Committee of the Strutters Organization.

4. Because of the time limit of the parade for video coverage all entries must not stop during the parade route or in the stadium to perform maneuvers, yells, etc. Walking maneuvers, yells, etc. are allowed only if they do not slow the parade pace.

5. Parade units must stay in their assigned area and not disturb other units by walking in and through other units during the parade.

6. Dress for the parade must be appropriate for your entry. This is subject to the discretion of the Starter the day of the parade.

II. EQUESTRIAN ENTRIES

Horse-drawn vehicles, riding groups or individual riders will be selected by the Executive Committee. Only organized and chartered units will be considered by the Executive Committee. Clubs, patrols, and any posse shall have the same tack and wardrobe. Individual riders, whether single or more than one, shall have registered and purebred animals. Dress and tack must be authentic to the breed (i.e. Arabian costumes or so distinctive and unique for the Committee to rule in special cases). Carriages, stagecoaches and wagons will be those that have been authentically restored and must be decorated subject to the approval of the Executive Committee. Unbagged horses will be placed at the end of the line-up.
III. MARCHING / WALKING ENTRIES

1. Marching units will consist of bands, military, high school, university or college, or adult civic marching groups.

2. Each walking group should have no less than ten (10) members. All participants are required to walk the entire 1.25 mile parade route at the appropriate pace or be subject to removal to ensure proper parade timing. The decision to remove such a unit will be at the sole discretion of parade officials on site.

3. No amateur or semi-amateur clowns will be permitted in the parade unless approved by the Executive Committee. Clowns will be required to stay in their assigned parade order and not disturb other entries by walking in and through their units.

IV. PARADE VEHICLES

1. Non-specialty automobiles in the parade will be limited to those carrying invited Rose Festival officers, Rose Industry representatives, and elected officials of the State, County, and City. These automobiles will be provided by the Texas Rose Festival Association.

2. Other cars will be Shrine units and antique car clubs. Antique cars will be limited to classic cars or trucks, open touring cars, or roadsters (replicas). Exceptions must be approved by the Executive Committee. Drivers and/or passengers will not be identified by signage on the antique car. The number of antique cars will be limited.

V. INSURANCE

The Strutters Organization and/or the Texas Rose Festival Association assume no responsibility for accidents by any participant. If entering a vehicle, specialty or antique car or truck, proof of current liability insurance coverage for the specific parade vehicle is required upon application approval.

VI. APPROVAL OF APPLICATIONS

All applications submitted will be reviewed by the Executive Committee and those applications approved by said committee will be issued an invitation to participate in the Texas Rose Festival Parade by letter after September 23rd. If out-of-town arrangements are necessary, applicant may call to verify approval of entry after September 23rd. THE NUMBER OF ENTRIES WILL BE LIMITED BECAUSE OF LIMITED TELEVISION AIRTIME. THE NUMBER OF ENTRIES TO ENTER THE STADIUM WILL BE LIMITED BECAUSE OF SPACING AND STADIUM RESTRICTIONS.

VII. EXCEPTIONS

Any exceptions to the above rules must be given in writing by the Executive Committee. The decision to remove any entry or portion of any entry will be at the sole discretion of Parade official on site.

VIII. NONDISCRIMINATION STATEMENT

The Strutters Organization and the Texas Rose Festival strive to create and actively promote a welcoming and inclusive parade environment for the City of Tyler, its residents and visitors.
